Training and Supporting Artists
with Learning Disabilities

ActionSpace has been adopted by the Affordable Art Fair.

The Private View is on Wednesday 17 October, 5.30-9.30 pm. All tickets sold will be in aid of ActionSpace. Tickets are £20, and also allow entry into the Fair at any other time.

The Affordable Art Fair is now in its 10th year and is the UK's premier art showcase for contemporary art under £3,000. 110 galleries from across the UK will be exhibiting their artists work.

ActionSpace will have a special stand at the Fair to showcase artists from all our programmes.

The AAF is a fabulous opportunity to see what is being done in contemporary art in the UK and ActionSpace is delighted to be taking part.

You can reserve your Private View tickets for this wonderful show by calling us directly and sending a cheque with your address to:
